

Step 5: STEM Showcase

Groups are ready for the showcase!

Each group explains their experiments to the the
classes and parents who visit.
Here they are showing the infants!

Some Experiments in Action

**3rd & 4th
Class Egg
Drop
Groups
were
gathered
outside to
test the
Creations.**

Fizz Inflator

- 3rd & 4th Class demonstrating their vinegar and baking soda reaction.

6th Class also presented their Renewable Energy Projects to the school.
