SEPTEMBER 2022

HELLO everyone and a big welcome to all new and returning parents!

We are really excited about the year ahead and want to welcome you to the Parents' Association (PA) of our school.

The PA aims to provide support to the school, for our children, and our principal and staff, working together to create the best possible environment for the education of our children.

It's also a great opportunity to meet other parents and make new friends.

Our mission:

The Education Act, 1998 sets down the role of the parent association. The Parent Association works with the principal, staff and the board of management to build effective partnership of home and school. Educational research on the involvement of parents in schools shows that children achieve higher levels when parents and teachers work together.

What do the PA do?

We help organise events like paired reading, grandparent's day, Halloween disco, our famous Sports Day and other fund raisers.

In recent years we have raised funds for 6th Class Graduation hoodies, music classes, special occasions, educational visits, and other experiences and treats during the school year.

We also started the Split the pot/Chase the Ace Draw last year and this has been a great success and will re-commence in the coming weeks.

(The Ace is still at large)

Who can get involved?

We welcome all new faces and ideas. Parents, guardians, and grandparents are all invited to get involved. If you have a skill or hold an interest in Art, DIY, gardening, woodwork etc. Equally farmers, builders, and other skills out there can add great value to our PA.

Our email is castletownnsa@gmail.com if you are interested in getting involved in any way please get in touch.
